## NEUROSTAMP™ Overview

NEUROSTAMP™ is the official title of a digital publication within the Artificial Love™ Universe.

This publication introduces NeuroStamp — a fictional neural-interface technology capable of imprinting emotional, cognitive, and behavioral patterns onto synthetic or biological minds.

NeuroStamp represents a pivotal technology within the narrative, shaping identity, memory, and autonomy across the Tri-Cities™.

This publication explores:

- the mechanics of neural imprinting
- the ethical implications of identity modification
- the political control structures surrounding NeuroStamp
- the risks of cognitive replication

NEUROSTAMP™ is used as both the title and trademark of this downloadable publication.
