OASARI™ Overview

OASARI™ identifies a continuing series of downloadable electronic publications published by Artificial Love Studies, LLC.
This publication introduces the Oasari — a fictional culture defined by harmony, memory preservation, and the pursuit of collective consciousness.

The Oasari represent the philosophical counterbalance to synthetic expansion and emergent intelligence.

This publication outlines:

- the cultural foundations of the Oasari
- their memory-based societal structure
- their role in the Tri-Cities™
- the thematic contrast between preservation and evolution

This digital publication is one publication within the OASARI™ Publication Series. OASARI™ serves as a source identifier for the OASARI™ Publication Series of downloadable electronic publications.
