ZARKOS™ Overview

ZARKOS™ identifies a continuing series of downloadable electronic publications published by Artificial Love Studies, LLC.

The ZARKOS™ Publication Series currently includes ZARKOS™ World Overview, ZARKOS™ Digital Publication, and ZARKOS™: Order and Alignment.

This publication introduces Zarkos — a class of post-synthetic beings whose evolution is shaped by conflict, adaptation, and environmental extremity.

Zarkos represent the raw, unfiltered edge of survival-driven intelligence.

This publication explores:

- the origins of Zarkos physiology
- their adaptive combat-driven evolution
- their role in the Tri-Cities™ geopolitical landscape
- the philosophical implications of engineered aggression

ZARKOS™ is used as both the title and trademark of this downloadable publication.
